Nothing to do but move right in! Newly painted and new carpeting throughout and refinished cabinets in the eat-in kitchen. Keep all of your stuff in the dry basement with 2 new sump pumps and lifetime waterproofing from Champion. Nice fenced-in side yard with a shed and deck off of the kitchen. The large detached garage is tall enough for fit almost any vehicle. This house is on a public bus line and is close to shopping, restaurants, hospital, and access to I-79. Convenient to the airport and downtown Pittsburgh.
